

Dear Birth Parents,

Thank you for considering adoption. We want you to know that we have been praying for you and your child. We understand that this is a deeply emotional time, and we pray that you find comfort in knowing that we will do everything in our power to provide a loving, nurturing, and faith-filled home for your precious child.

We are African-American college graduates with Jamaican heritage, both in our late 40s and standing at 5'8". We are fun-loving, deeply devoted to our faith, have been happily married for 16 years, and we are proud parents of our 3 year old Daughter Hope. Our home is in a peaceful rural neighborhood, just around the corner from our church. A place that has been a source of strength, joy, and unwavering support. We are blessed to be part of a close-knit Baptist church family that has been praying for you as well. Serving in our church is a privilege and a joy, whether through the Men's & Women's Ministries, Sunday School, Security Team, Audio/Video Squad, or Vacation Bible School. Though small, our church is vibrant and deeply committed to sharing God's love.

Adoption has always been part of our family plan. After years of trying to conceive, we came to embrace the beautiful path of adoption with open hearts. We trusted in God's perfect timing and His will for our future when we adopted Hope at one and a half months old, and we continue to trust Him and are beyond excited for the opportunity to welcome another child into our lives.

Our family wholeheartedly supported our decision to adopt the first time and are thrilled again. They are very eager to help in any way possible. We still believe that adoption is a reflection of God's love for us. Just as He has adopted us into His family through our Lord and Savior Jesus Christ, we are honored to extend that same love to another child. What a beautiful blessing it is to be part of His divine plan!

We are truly grateful for the opportunity to be parents and to share the love of Christ with your child. Please know that you and your family will always be in our prayers. Your child will always know the depth of love you have for them, and we will cherish and honor that love every day.

With Love and Blessings,
Warren & Keisha
