
DEAR BIRTH MAMA,

First and foremost, thank you. We can only imagine the strength, courage, and love it takes to consider adoption for your child. While we may not know you personally yet, we already admire your heart and willingness to make such a selfless decision.

We are honored that you are taking a moment to get to know us. We are a family built on love, laughter, and faith, and we're ready to open our hearts and home to a child through adoption. This isn't a decision we've come to lightly- it has been shaped through years of prayer, reflection, and a deep desire to provide a safe, joyful, and nurturing life for a child.

If we are chosen, please know that your child will be deeply loved- not just by us, but by our entire circle of family and friends. We will embrace their unique story, celebrate their identity, and honor the incredible role you play in their life. We welcome ongoing communication in whatever way feels right for you- whether through photos, letters, or visits- and we promise to always speak of you with love and respect.

As you continue through this journey, we are praying for peace and clarity in your heart. No matter what path you choose, we believe you are making it with love.

Sincerely,
Joe & Jessie
