

Dear Friend,

Thank you for the enormous act of love and sacrifice you are showing your child by considering adoption. The gift you are giving your child and his or her adoptive parents is nothing short of the purest love. We understand this is not an easy journey, and we have prayed and will continue to pray for you, even though we have not yet met.

We are blessed to share a little about who we are in the following profile. We pray that God brings you a deep sense of peace as you choose an adoptive family for your child. Please know you are not alone in this process. God is walking alongside you in every step of this decision.

We are committed to making sure our child knows his or her birth mother, birth story, and the incredible love and faith that brought us together.
