

Dear Birth Mom,

We are overjoyed with your decision to give this precious baby life! We have been praying over you and this baby. We know adoption is a difficult choice to make. We commend you for your strength, courage, and selfless love. We know you are making a brave and loving decision, and we are honored to be considered as parents. Our child will grow up knowing who you are and their adoption story. As a family rooted in Christ, we will love this child just as Christ loves us.

We promise to provide a home overflowing with joy, faith, compassion, and adventure, grounded in unwavering love. We will guide them toward Christ and help them become the person God created him or her to be. We are proud of the decision you are making in birthing this child and wanting to give this child an amazing life. This baby is a precious gift from God and we know you will find the perfect couple that speaks to you. We are ready to love this baby and raise this child as a family faithfully grounded in the Lord!

With love,
Rob & Jenn
