## Hello,

We are Peter and Maudie. We are great examples of never knowing where life is going to take you. While we first met in college in the fall of 2005 - after many twists and turns in life - we started dating in the spring of 2019. We had a small "Covid Wedding" on May 5, 2020. We love Jesus, adventures, and good Mexican food. (Our first date was at a Mexican restaurant which inspired our getting married on Cinco de Mayo.)

We had only been dating a few weeks when the conversation of having children came up. You see, Peter is a Children's Pastor and Maudie is an elementary school teacher...so children have been a big part of both of our lives. Months later, we discussed the possibility of adopting one day. We've always known we wanted to be parents.

We don't know what's brought you to this point in your own life, but please know that we've been praying for you. We have praised God that you have chosen life. We have asked the Lord that you find strength, hope, and peace as you navigate this process.

While we have been praying for you, we have also prayed that God would help us to be good parents who would provide a safe and stable home for your child. If you choose us, we would want our child to know how deeply loved he/she is - by you, by us, and by God.

Sincerely,

Peter & Maudie
