

Thank you for taking the time to learn a little about us. We can only imagine the range of emotions you may be feeling, and we want you to know we've been thinking of and praying for you throughout this journey. Your strength and love in considering adoption mean so much, and we admire your courage deeply. If you choose us, know that your child will be welcomed into a home filled with love, support, and faith, and will always know about the selfless decision you made out of love.

We're surrounded by a warm, close-knit community of family and friends ready to embrace any child God brings into our lives. We promise to nurture them, celebrate them, guide them, and raise them to love God and others well. If you decide to move forward with an adoption plan and are open to it, we'd be honored to meet and learn more about you. No matter your decision, we respect and support you and believe you'll make the best choice for your child.

With love,

*Patrick and Brittany*
