

Dear Birth Mother,

Thank you so much for taking the time to get to know us. Please know that we are holding you in our prayers with hope, respect, and compassion for your journey. We know that **adoption begins with love and is continued in love.**

Adoption was placed on our hearts by God long before we had an infertility diagnosis. We officially began pursuing this path a year and a half ago. We see adoption as a beautiful reflection of God's love bringing families together through grace, courage, and hope. We know it begins with a brave decision and are committed to honoring your child's full story, including you, their birth family. As followers of Christ, we believe that through Jesus, we've been adopted into God's family with love, grace, and purpose. That truth has deeply shaped how we see adoption: as an opportunity to extend the kind of love we've received from God which is unconditional.

With Love,

Chad & Mary Jo

"But to all who did receive him, who believed in his name, he gave the right to become children of God, who were born not of blood, nor of the will of the flesh, nor of the will of man, but of God."

John 1:12
